Defendant.	:	

**PLEA AGREEMENT**

The following Plea Agreement is entered by the United States Attorney for the Middle District of Pennsylvania and the above-captioned defendant. Any reference to the United States or to the Government in this Agreement shall mean the Office of the United States Attorney for the Middle District of Pennsylvania.

**A. Violation(s), Penalties, and Dismissal of Other Counts**

1. Guilty plea. The defendant agrees to plead guilty to Count 55 of the Indictment, which charges the defendant with a violation of Title 21, United States Code, § 841(a)(1), unlawful distribution of controlled substances (Subsys) outside the usual course of professional practice and with not for a legitimate medical purpose. The maximum penalty for that offense is imprisonment for a period of 20 years, a fine of \$1,000,000, a

maximum term of supervised release of up to life but at least 3 years, to be determined by the court, which shall be served at the conclusion of and in addition to any term of imprisonment, the costs of prosecution, denial of certain federal benefits, and an assessment in the amount of \$100. The defendant also agrees to plead guilty to Count 330 of the Indictment, which charges the defendant with violation of Title 21, United States Code, § 856, maintaining drug-involved premises. The maximum penalty for that offense is imprisonment for a period of 20 years, a fine of \$500,000, a maximum term of supervised release of up to life but at least 3 years, to be determined by the court, which shall be served at the conclusion of and in addition to any term of imprisonment, the costs of prosecution, denial of certain federal benefits, and an assessment in the amount of \$100. The defendant also agrees to plead guilty to Count 405, which charges a violation of 18 U.S.C. § 1347, health care fraud. The maximum penalty for that offense is imprisonment for a period of 10 years, a fine of \$250,000, a maximum term of

supervised release of 3 years, to be determined by the court, which shall be served at the conclusion of and in addition to any term of imprisonment, the costs of prosecution, denial of certain federal benefits, and an assessment in the amount of \$100. At the time the guilty pleas are entered, the defendant shall admit to the Court that the defendant is, in fact, guilty of the above offenses. After sentencing, the United States will move for dismissal of any remaining counts of the Indictment. The defendant agrees, however, that the United States may, at its sole election, reinstate any dismissed charges, or seek additional charges, in the event that any guilty plea entered or sentence imposed pursuant to this Agreement is subsequently vacated, set aside, or invalidated by any court. The defendant further agrees to waive any defenses to reinstatement of any charges, or to the filing of additional charges, based upon laches, the assertion of speedy trial rights, any applicable statute of limitations, or any other ground. The calculation of time under the Speedy Trial Act for when trial must commence is tolled as

of the date of the defendant's signing of this Agreement, until either (a) the defendant pleads guilty; or (b) a new date is set by the Court for commencement of trial.

2. Term of Supervised Release. The defendant understands that the court must impose at least a 3-year term of supervised release but up to life in addition to any term of imprisonment, fine or assessment involving a violation of the Controlled Substances Act. The defendant also understands that the court must impose a term of supervised release following any sentence of imprisonment exceeding one year, or when required by statute. The court may require a term of supervised release in any other case. In addition, the defendant understands that as a condition of any term of supervised release or probation, the court must order that the defendant cooperate in the collection of a DNA sample if the collection of a sample is so authorized by law.

3. Maximum Sentence – Multiple Counts. The defendant understands that the total, maximum possible sentence for all

charges is the combination of penalties described above; that is, 50 years in prison and/or fines totaling \$1,750,000, a lifetime of supervised release but at least 3 years, the costs of prosecution, denial of certain federal benefits and an assessment totaling \$300.

4. No Further Prosecution, Except Tax Charges. The United States Attorney's Office for the Middle District of Pennsylvania agrees that it will not bring any other criminal charges against the defendant directly arising out of the defendant's involvement in the offense(s) described above. However, nothing in this Agreement will limit prosecution for criminal tax charges, if any, arising out of those offenses.

**B. Fines and Assessments**

5. Fine. The defendant understands that the court may impose a fine pursuant to the Sentencing Reform Act of 1984. The willful failure to pay any fine imposed by the court, in full, may be considered a breach of this Plea Agreement. Further, the defendant acknowledges that willful failure to pay the fine may

subject the defendant to additional criminal violations and civil penalties pursuant to Title 18, United States Code, § 3611, et seq.

6. Alternative Fine. The defendant understands that under the alternative fine section of Title 18, United States Code, § 3571, the maximum fine quoted above may be increased if the court finds that any person derived pecuniary gain or suffered pecuniary loss from the offense and that the maximum fine to be imposed, if the court elects to proceed in this fashion, could be twice the amount of the gross gain or twice the amount of the gross loss resulting from the offense.
7. Inmate Financial Responsibility Program. If the court orders a fine or restitution as part of the defendant's sentence, and the sentence includes a term of imprisonment, the defendant agrees to voluntarily enter the United States Bureau of Prisons' administered program known as the Inmate Financial Responsibility Program, through which the Bureau of Prisons will collect up to 50% of the defendant's prison salary, and up to

50% of the balance of the defendant's inmate account, and apply that amount on the defendant's behalf to the payment of the outstanding fine and restitution orders.

8. Special Assessment. The defendant understands that the court will impose a special assessment of \$300 (\$100 per count), pursuant to the provisions of Title 18, United States Code, § 3013. No later than the date of sentencing, the defendant or defendant's counsel shall mail a check in payment of the special assessment directly to the Clerk, United States District Court, Middle District of Pennsylvania. If the defendant intentionally fails to make this payment, that failure may be treated as a breach of this Plea Agreement and may result in further prosecution, the filing of additional criminal charges, or a contempt citation.
9. Collection of Financial Obligations. In order to facilitate the collection of financial obligations imposed in connection with this case, the defendant consents and agrees:

- a. to fully disclose all assets in which the defendant has an interest or over which the defendant has control, directly or indirectly, including those held by a spouse, nominee, or other third party;
- b. to submit to interviews by the Government regarding the defendant's financial status;
- c. to submit a complete, accurate, and truthful financial statement, on the form provided by the Government, to the United States Attorney's Office no later than 14 days following entry of the guilty plea;
- d. whether represented by counsel or not, to consent to contact by and communication with the Government, and to waive any prohibition against communication with a represented party by the Government regarding the defendant's financial status;
- e. to authorize the Government to obtain the defendant's credit reports in order to evaluate the defendant's ability to satisfy any financial obligations imposed by the court; and

- f. to submit any financial information requested by the Probation Office as directed, and to the sharing of financial information between the Government and the Probation Office.

**C. Sentencing Guidelines Calculation**

- 10. Determination of Sentencing Guidelines. The defendant and counsel for both parties agree that the United States Sentencing Commission Guidelines, which took effect on November 1, 1987, and its amendments, as interpreted by *United States v. Booker*, 543 U.S. 220 (2005), will apply to the offense or offenses to which the defendant is pleading guilty. The defendant further agrees that any legal and factual issues relating to the application of the Federal Sentencing Guidelines to the defendant's conduct, including facts to support any specific offense characteristic or other enhancement or adjustment and the appropriate sentence within the statutory maximums provided for by law, will be determined by the court after briefing, a pre-sentence hearing, and/or a sentencing hearing.

11. Acceptance of Responsibility– Three Levels. If the defendant can adequately demonstrate recognition and affirmative acceptance of responsibility to the Government as required by the Sentencing Guidelines, the Government will recommend that the defendant receive a three-level reduction in the defendant's offense level for acceptance of responsibility. The third level, if applicable, shall be within the discretion of the Government under U.S.S.G. § 3E1.1. The failure of the court to find that the defendant is entitled to a two [three]-level reduction shall not be a basis to void this Plea Agreement.
12. Specific Sentencing Guidelines Recommendations. With respect to the application of the Sentencing Guidelines to the defendant's conduct, the defendant stipulates and agrees as follows:
  - a. **In addition to the counts of conviction, pursuant to U.S.S.G. § 1B1.2 and 1B1.3 (relevant conduct), the defendant and the United States stipulate that the defendant committed the additional offense of knowingly and intentionally distributing oxycodone and fentanyl, Schedule II controlled substances, outside the usual course of professional practice and**

not for legitimate medical purposes, and that the death of "J.B." as charged in Count 328 of the Indictment resulted from the use of the substances;

- b. Based on the foregoing stipulation, the base offense level under U.S.S.G. § 2D1.1(a)(2) is 38;
- c. For purposes of the U.S.S.G., the parties agree to jointly recommend to the Court that the defendant be sentenced to a term of 144 months' incarceration; a 3-year term of supervised release ; a fine, if any, to be determined by the court; restitution as determined by the court; special assessments totaling \$300; and a forfeiture order in the amount of \$134,000.

The defendant understands that none of these recommendations is binding upon either the court or the United States Probation Office, which may make different findings as to the application of the Sentencing Guidelines to the defendant's conduct. The defendant further understands that the United States will provide the court and the United States Probation Office all information in its possession that it deems relevant to the application of the Sentencing Guidelines to the defendant's conduct.

**Sentencing Recommendation**

13. Special Conditions of Probation/Supervised Release. If probation or a term of supervised release is ordered, the United States may recommend that the court impose one or more special conditions, including but not limited to the following:
- a. The defendant be prohibited from possessing a firearm or other dangerous weapon.
  - b. The defendant make restitution, if applicable, the payment of which shall be in accordance with a schedule to be determined by the court.
  - c. The defendant pay any fine imposed in accordance with a schedule to be determined by the court.
  - d. The defendant be prohibited from incurring new credit charges or opening additional lines of credit without approval of the Probation Office unless the defendant is in compliance with the payment schedule.

- e. The defendant be directed to provide the Probation Office and the United States Attorney access to any requested financial information.
- f. The defendant be confined in a community treatment center, halfway house, or similar facility.
- g. The defendant be placed under home confinement.
- h. The defendant be ordered to perform community service.
- i. The defendant be restricted from working in certain types of occupations or with certain individuals, if the Government deems such restrictions to be appropriate.
- j. The defendant be directed to attend substance abuse counseling, which may include testing to determine whether the defendant is using drugs or alcohol.
- k. The defendant be directed to attend psychiatric or psychological counseling and treatment in a program approved by the Probation Officer.
- l. The defendant be denied certain federal benefits including contracts, grants, loans, fellowships and licenses.

m. The defendant be directed to pay any state or federal taxes and file any and all state and federal tax returns as required by law.

**D. Forfeiture of Assets**

14. Forfeiture. The present indictment seeks forfeiture of the defendant's interests in certain assets. In the event the United States seeks to forfeit those assets through a civil proceeding, the defendant understands that dismissal of the criminal forfeiture allegation in no way limits the United States from proceeding civilly against any assets owned or held by the defendant or any other party. Defendant agrees to settle any civil and criminal forfeiture matters arising out of the offense of conviction and its relevant conduct. The defendant agrees that the defendant's property constitutes proceeds of, is derived from proceeds traceable to, or was used in any manner or part to commit or facilitate the commission of the offense of conviction and its relevant conduct. Defendant further agrees to the following:

- a. Forfeiture of \$134,000 in United States currency as proceeds of the 18 U.S.C. § 1347 violation, which the defendant admits he personally obtained and benefited from;
- b. Immediate entry of the preliminary order of forfeiture and/or the filing of a civil complaint by the United States, pursuant to Title 18, United States Code, § 981;
- c. Waiver of the right to personal service of all process and naming of Attorney Robert Levant, 538 Spruce Street, Suite 414, Scranton, PA 18503, as agent for service of all process;
- d. Waiver of the right to appear and contest any portion of the forfeiture proceedings, including but not limited to, any motion or proceeding for substitute assets;
- e. The filing and entry of a consent decree of forfeiture;
- f. Disclosure, no later than upon signing this Agreement, of all persons and entities holding an equitable or legal interest in the property, real or personal, subject to forfeiture pursuant to this Agreement;

- g. Concurrence in any motion necessary to be filed and signing any documents necessary to effectuate forfeiture;
- h. Payment of costs associated with the seizure, storage, and maintenance of the any asset being returned to the defendant as a result of this Agreement;
- i. In the event any assets are being returned to the defendant, such return does not amount to having “substantially prevailed” in the pursuit of any claim, and to make no claim against the United States or any of its agencies or employees, including claims for attorney’s fees and costs of litigation;
- j. Waiver of any double jeopardy challenges the defendant may have to any administrative or civil forfeiture actions, pending or completed, arising out of the course of conduct forming the basis for the forfeitures.
- k. Waiver of all constitutional, legal, and equitable claims arising out of and/or defenses to the forfeiture of this property in any proceeding, including any claim of Innocent

Ownership and any claim or defense under the Eighth Amendment, including any claim of excessive fine.

15. Disclosure of Assets. This Agreement is being entered by the United States on the basis of the express representation that the defendant is making full and complete disclosure of all assets over which the defendant exercises control. The defendant agrees to submit to a polygraph examination by an examiner selected by the Government to verify the defendant's complete and candid compliance with this provision of the Plea Agreement. The defendant also understands that a failure to make a full disclosure or lack of candor revealed by a polygraph examination would constitute a breach of this Plea Agreement, subjecting the defendant to the sanctions set forth in this Plea Agreement. Conditioned upon such full disclosure, the United States agrees not to seek the seizure/forfeiture of any of the defendant's assets other than those set forth in this Agreement.
16. No Further Forfeiture. As the result of the forfeitures set forth above, the United States agrees not to seek forfeiture of any

other asset known to the United States by defendant's disclosure to belong to the defendant or the defendant's family. This Agreement does not prevent the Internal Revenue Service from the collection of taxes or the seizure of assets to satisfy those taxes.

17. Forfeiture of Interests/Passage of Clear Title/Destruction Order.

By this Agreement, the defendant agrees to forfeit all interests in the assets set forth above and to take whatever steps are necessary to pass clear title of those assets to the United States. These steps include but are not limited to surrender of title; signing of a consent decree; stipulating to facts regarding the transfer and basis for the forfeitures; and concurrence in any motion and signing any document necessary to effectuate such transfers.

18. Destruction Order/Waivers. The defendant further agrees, should the United States deem it appropriate, to the destruction of the items seized during the course of the investigation. The defendant agrees that the items may be destroyed by the

investigative agency with or without a court order authorizing the destruction of the items seized. If the United States determines that a destruction order should be obtained, the defendant and defendant's counsel hereby concur in a motion for such an order. The defendant further agrees to waive all interest in the assets in any administrative or judicial forfeiture proceeding, whether criminal or civil, state or federal. The defendant consents and waives all rights to compliance by the United States with any applicable deadlines under 18 U.S.C. § 983(a). Any related administrative claim filed by the defendant is hereby withdrawn. The defendant agrees to consent to the entry of orders of forfeiture for such property and waives the requirements of Federal Rules of Criminal Procedure 32.2 and 43(a) regarding notice of the forfeiture in the charging instrument, announcement of the forfeiture at sentencing, and incorporation of forfeiture in the judgment.

**E. Victims' Rights and Restitution**

19. Victims' Rights. The defendant understands that pursuant to the Victim and Witness Protection Act, the Crime Victims' Rights Act, the Justice for All Act, and the regulations promulgated under those Acts by the Attorney General of the United States, crime victims have the following rights:

- a. The right to be reasonably protected from the accused;
- b. The right to reasonable, accurate, and timely notice of any public court proceeding or any parole proceeding involving the crime, or of any release or escape of the accused;
- c. The right not to be excluded from any such public court proceeding, unless the court, after receiving clear and convincing evidence, determines that testimony by the victim would be altered materially if the victim heard other testimony at that proceeding;
- d. The right to be reasonably heard at any public hearing in the district court involving release, plea, sentencing, or any parole proceeding. The defendant understands that the

victim's comments and recommendations at any of these proceedings may be different than those of the parties to this Agreement;

- e. The reasonable right to confer with the attorney for the Government in the case. The defendant understands that the victim's opinions and recommendations given to the attorney for the Government may be different than those presented by the United States as a consequence of this Agreement;
- f. The right to full and timely restitution as provided for by law. The attorney for the Government is required to "fully advocate the rights of victims on the issue of restitution unless such advocacy would unduly prolong or complicate the sentencing proceeding," and the court is authorized to order restitution by the defendant including, but not limited to, restitution for property loss, economic loss, personal injury, or death;
- g. The right to proceedings free from unreasonable delay; and

h. The right to be treated with fairness and with respect for the victim's dignity and privacy.

20. Restitution. The defendant acknowledges that, pursuant to the Mandatory Restitution Act of April 24, 1996, Title 18, United States Code, § 3663A, the court is required in all instances to order full restitution to all victims for the losses those victims have suffered as a result of the defendant's conduct. The defendant also agrees that the Government will seek and the court may impose an order of restitution as to victims of the defendant's relevant conduct. With respect to the payment of restitution, the defendant further agrees that, as part of the sentence in this matter, the defendant shall be responsible for making payment of restitution in full, unless the defendant can demonstrate to the satisfaction of the court that the defendant's economic circumstances do not allow for the payment of full restitution in the foreseeable future, in which case the defendant will be required to make partial restitution payments. In addition to the schedule of payments that may be

established by the court, the Defendant understands and agrees that, pursuant to the Mandatory Victims Restitution Act of 1996 and the Justice For All Act of 2004, victims of Federal Crime are entitled to full and timely restitution. As such, these payments do not preclude the government from using other assets or income of the Defendant to satisfy the restitution obligation. The Defendant understands and agrees that the United States Attorney's Office, by and through the Financial Litigation Unit, has the obligation and the right to pursue any legal means, including but not limited to, submission of the debt to the Treasury Offset Program, to collect the full amount of restitution owed to the victim(s) in a timely fashion. Although the defendant may reserve the right to contest the amount of restitution owed, the defendant agrees to take all steps to facilitate collection of all restitution, including submitting to debtor's exams as directed by the Government. Towards this goal, the defendant agrees to waive any further notice of forfeiture and agrees that the United States may, at its sole

election, elect to pursue civil and/or criminal forfeiture in the amount of the victim restitution owed in this case, and the court may enter both a restitution order and a forfeiture judgment in the amount of any unpaid restitution found by the court to be due and owing at the time of sentencing in this matter. The defendant consents to the filing of any civil complaint or superseding indictment which may be necessary to perfect a forfeiture order and further stipulates and agrees that the defendant's guilty plea constitutes an admission to all matters legally and factually necessary for entry of a forfeiture order in this case. The parties agree that any restitution payments obtained by the United States or the victim will be applied by the United States to reduce both the restitution obligation in this case and the amount of the outstanding forfeiture order entered by the court. The parties further agree that the Government will recommend that any assets recovered through forfeiture proceedings be remitted to crime victims to reduce the defendant's restitution obligation in this case. The defendant

acknowledges that the making of any payments does not preclude the Government from using other assets or income of the defendant to satisfy the restitution obligations. The defendant understands that the amount of restitution calculated for purposes of Chapter 5 of the Sentencing Guidelines might be different from the amount of loss calculated for purposes of Chapter 2 of the Sentencing Guidelines.

21. Full Restitution. The defendant agrees to make full restitution in accordance with a schedule to be determined by the court. The defendant also agrees that full restitution shall be a condition of any probation or term of supervised release that the defendant receives.

**F. Information Provided to Court and Probation Office**

22. Background Information for Probation Office. The defendant understands that the United States will provide to the United States Probation Office all information in its possession that the United States deems relevant regarding the defendant's

background, character, cooperation, if any, and involvement in this or other offenses.

23. Objections to Pre-Sentence Report. The defendant understands that pursuant to the United States District Court for the Middle District of Pennsylvania “Policy for Guideline Sentencing” both the United States and defendant must communicate to the Probation Officer within 14 days after disclosure of the pre-sentence report any objections they may have as to material information, sentencing classifications, sentencing guideline ranges, and policy statements contained in or omitted from the report. The defendant agrees to meet with the United States at least five days prior to sentencing in a good faith attempt to resolve any substantive differences. If any issues remain unresolved, they shall be communicated to the Probation Officer for inclusion in an addendum to the pre-sentence report. The defendant agrees that unresolved substantive objections will be decided by the court after briefing, or a pre-sentence hearing, or at the sentencing hearing where the standard of proof will be a

preponderance of the evidence, and the Federal Rules of Evidence, other than with respect to privileges, shall not apply under Fed. R. Evid. 1101(d)(3), and the court may consider any reliable evidence, including hearsay. Objections by the defendant to the pre-sentence report or the court's rulings, will not be grounds for withdrawal of a plea of guilty.

24. Relevant Sentencing Information. At the sentencing, the United States will be permitted to bring to the court's attention, and the court will be permitted to consider, all relevant information about the defendant's background, character and conduct, including the conduct that is the subject of the charges that the United States has agreed to dismiss, and the nature and extent of the defendant's cooperation, if any. The United States will be entitled to bring to the court's attention and the court will be entitled to consider any failure by the defendant to fulfill any obligation under this Agreement.

25. Non-Limitation on Government's Response. Nothing in this Agreement shall restrict or limit the nature or content of the

United States' motions or responses to any motions filed on behalf of the defendant. Nor does this Agreement in any way restrict the government in responding to any request by the court for briefing, argument or presentation of evidence regarding the application of Sentencing Guidelines to the defendant's conduct, including but not limited to, requests for information concerning possible sentencing departures.

**G. Breach of Plea Agreement by Defendant**

26. Breach of Agreement. In the event the United States believes the defendant has failed to fulfill any obligations under this Agreement, then the United States shall, in its discretion, have the option of petitioning the court to be relieved of its obligations. Whether the defendant has completely fulfilled all of the obligations under this Agreement shall be determined by the court in an appropriate proceeding during which any disclosures and documents provided by the defendant shall be admissible, and during which the United States shall be required to establish any breach by a preponderance of the

evidence. In order to establish any breach by the defendant, the United States is entitled to rely on statements and evidence given by the defendant during the cooperation phase of this Agreement, if any.

27. Remedies for Breach. The defendant and the United States

agree that in the event the court concludes that the defendant has breached the Agreement:

- a. The defendant will not be permitted to withdraw any guilty plea tendered under this Agreement and agrees not to petition for withdrawal of any guilty plea;
- b. The United States will be free to make any recommendations to the court regarding sentencing in this case;
- c. Any evidence or statements made by the defendant during the cooperation phase of this Agreement, if any, will be admissible at any trials or sentencings;
- d. The United States will be free to bring any other charges it has against the defendant, including any charges originally

brought against the defendant or which may have been under investigation at the time of the plea. The defendant waives and hereby agrees not to raise any defense to the reinstatement of these charges based upon collateral estoppel, Double Jeopardy, or other similar grounds.

28. Violation of Law While Plea or Sentence Pending. The defendant understands that it is a condition of this Plea Agreement that the defendant refrain from any further violations of state, local, or federal law while awaiting plea and sentencing under this Agreement. The defendant acknowledges and agrees that if the government receives information that the defendant has committed new crimes while awaiting plea or sentencing in this case, the government may petition the court and, if the court finds by a preponderance of the evidence that the defendant has committed any other criminal offense while awaiting plea or sentencing, the Government shall be free at its sole election to either: (a) withdraw from this Agreement; or (b) make any sentencing recommendations to the court that it

deems appropriate. The defendant further understands and agrees that, if the court finds that the defendant has committed any other offense while awaiting plea or sentencing, the defendant will not be permitted to withdraw any guilty pleas tendered pursuant to this Plea Agreement, and the government will be permitted to bring any additional charges that it may have against the defendant.

**H. Licensing, Resignation, and Disbarment**

**29. Surrender of DEA Registration/Status of Professional License.**

It is further understood and agreed that the defendant will surrender his DEA Registration (DEA authorization to prescribe Schedule II, III, IV and V controlled substances) immediately upon entry of his guilty plea. It is further understood and agreed that the status of any other professional license held by the defendant is not protected by this Agreement and is a matter solely within the discretion of the appropriate licensing authority. The United States may in its discretion

provide to any such licensing authority any documents and information in its possession.

I. **Appeal Waiver**

30. Appeal Waiver – Direct. The defendant is aware that Title 28, United States Code, § 1291 affords a defendant the right to appeal a judgment of conviction and sentence; and that Title 18, United States Code, § 3742(a) affords a defendant the right to appeal the sentence imposed. Acknowledging all of this, the defendant knowingly waives the right to appeal the conviction and sentence. This waiver includes any and all possible grounds for appeal, whether constitutional or non-constitutional, including, but not limited to, the manner in which that sentence was determined in light of *United States v. Booker*, 543 U.S. 220 (2005). The defendant further acknowledges that this appeal waiver is binding only upon the defendant and that the United States retains its right to appeal in this case.

**J. Other Provisions**

31. Agreement Not Binding on Other Agencies. Nothing in this Agreement shall bind any other United States Attorney's Office, state prosecutor's office, or federal, state or local law enforcement agency.
32. No Civil Claims or Suits. The defendant agrees not to pursue or initiate any civil claims or suits against the United States of America, its agencies or employees, whether or not presently known to the defendant, arising out of the investigation, prosecution or cooperation, if any, covered by this Agreement, including but not limited to any claims for attorney's fees and other litigation expenses arising out of the investigation and prosecution of this matter. By the defendant's guilty plea in this matter the defendant further acknowledges that the Government's position in this litigation was taken in good faith, had a substantial basis in law and fact and was not vexatious.
33. Plea Agreement Serves Ends of Justice. The United States is entering into this Plea Agreement with the defendant because

this disposition of the matter fairly and adequately addresses the gravity of the series of offenses from which the charges are drawn, as well as the defendant's role in such offenses, thereby serving the ends of justice.

34. Merger of All Prior Negotiations. This document states the complete and only Plea Agreement between the United States Attorney for the Middle District of Pennsylvania and the defendant in this case, and is binding only on the parties to this Agreement and supersedes all prior understandings or plea offers, whether written or oral. This agreement cannot be modified other than in writing that is signed by all parties or on the record in court. No other promises or inducements have been or will be made to the defendant in connection with this case, nor have any predictions or threats been made in connection with this plea. Pursuant to Rule 11 of the Federal Rules of Criminal Procedure, the defendant certifies that the defendant's plea is knowing and voluntary, and is not the result

of force or threats or promises apart from those promises set forth in this written Plea Agreement.

35. Defendant is Satisfied with Assistance of Counsel. The

Defendant agrees that the defendant has discussed this case and this plea agreement in detail with the defendant's attorney who has advised the defendant of the defendant's Constitutional and other trial and appeal rights, the nature of the charges, the elements of the offenses the United States would have to prove at trial, the evidence the United States would present at such trial, possible defenses, the advisory Sentencing Guidelines and other aspects of sentencing, potential losses of civil rights and privileges, and other potential consequences of pleading guilty in this case. The defendant agrees that the defendant is satisfied with the legal services and advice provided to the defendant by the defendant's attorney.

36. Deadline for Acceptance of Plea Agreement. The original of this Agreement must be signed by the defendant and defense counsel and received by the United States Attorney's Office on

or before 5:00 p.m., September 7, 2021, otherwise the offer may, in the sole discretion of the Government, be deemed withdrawn.

37. Required Signatures. None of the terms of this Agreement shall be binding on the Office of the United States Attorney for the Middle District of Pennsylvania until signed by the defendant and defense counsel and then signed by the United States Attorney or his designee.
